Need to replace lighting in new display cabinet as the current lights are halogen, which are too hot for sensitive items being displayed.

Christmas outdoor movie night. There is a cost of \$900 for two movies. This is a license fee.

Wendy has a budget of \$2,000 for the event. The Association supported the playing of a single movie for \$450. Wendy has a budget for the purchase of items to support the evening. Village Roadshow will invoice \$450 to the Association.

Wendy spoke about the desire of the Keyneton Motorcycle Club (KMC) to hold an event on Saturday 24 May 2025. The event could host up to 200 competitors. KMC have asked to park bikes and cars and trailers on oval. This would be weather dependent due to potential damage to the oval. They have asked TDCA to do the catering. Would bring many people into the town. 6-hour trial, 2 laps of 3 hours.

Good fund raising opportunity between Cricket Club and TDCA.

# Truro

## Where wheat meets grapes

Traveling along the Sturt Highway from the Barossa to Blanchetown, you'll find Truro, a gorgeous town about 80km northeast of Adelaide. Set on the ridge of the Mount Lofty Ranges, Truro was founded around 1848 by John Howard Angas, the son of George Fife Angas, who purchased the land in 1842.

Once a primary copper mining area with the Whealbarton mine operating from 1842 to the 1970s, Truro is now more focused on crop farming, although it's also home to Craneford Wines, which offers a popular cellar door stop in the rustic charm of the Old Country Fire Station building on the main street.

The Truro Hotel is a favourite with locals and visitors, and the Truro Bakery is a must-visit. The town features historic walks and drives, diverse shopping outlets. The Lavender Federation Walking Trail passes through Truro, and Pioneer Park on the main street has been established to profile the farming culture and pioneers of the township. Pioneer Park is also a great stopover or meeting area for bike riders.
