TRURO AND DISTRICT COMMUNITY ASSOCIATION INC.

MINUTES 19th June 2025 at 7:00pm at the Truro Oval

Welcome: Chair Liz Giles welcomed the following people to the meeting: Sam Brown, Wendy Holmes, Phil Holmes, Phil Anderson, Chris Fox, Sally Goers Fox (Op Shop Rep), Brendon Rogers and Chris Parker (guest).

Apologies:, Andrew Philpott, Ashton Hurn, Kristin Falkenberg, Toby Eggleton, Jen Davis MMC

Liz Giles offered to take the minutes due to the absence of Andrew.

Minutes of the 15/05/2025 meeting

Moved: Wendy Holmes 2nd Sam Brown

Business Arising from Minutes: Discussed below.

Chairperson Report:

Thanks to Anderw and Chris for the minutes, agenda and financial reports they organise each month.

Unfortunately there hasn't been any progress since last month regarding the:

- Truro freight route including the Greater Adelaide Bypass
- Boundaries Commission regarding the Council Boundary Realignment for the Truro District.
- The community is still waiting on the swing and small playground re-development at Pioneer Park which was promised by RAA / MMC after the installation of the EV Charging station. On 05/05/25 I sent an email to 'Infrastructure' and 'David Hassett' with CC to 'Simone Bailey', 'Cr Jen Davis, Mid Murray Council and Kevin Meyers requesting an update with no response to date.

Information from emails received:

- We provided a letter of support for Friends of the Eric Parker Collection Incorporated for their application for a Mid-Murray Council Community Grant.
- I forwarded the email from Tracy-Ann Bawden, MMC Corporate & Finance Support Officer
 regarding the Consultation CWMS Charges. We received a couple of responses in support of
 the increase. We received one response regarding the request for the chair to discuss this
 matter in person along with the request that the TDCA arrange a meeting of rate payers to
 oppose the increase. The executive response is that concerned ratepayers should be
 encouraged to respond to the survey.
- I forwarded the email from MMC regarding the Public Consultation Draft Privately Funded Code Amendment Policy and Draft Dog and Cat Management Plan 2025 2030 which closes on COB 27/06/25.
- I responded to an email from Jen Davis regarding the EV Charging station and have recommended that TDCA and MMC consider it as an opportunity for improved communication. I also requested that MMC complete the RAA EV Charging station project by

installing the promised playground equipment and refurbishment in Pioneer Park. This will be a positive, tangible outcome of the project for the town.

Regarding communication, I have been sharing information from MMC on my personal Facebook site. I'm requesting that the administrators of the TDCA Facebook site take this on as it should be coming from the association rather than personal sites. It is a more professional manner to communicate MMC information with our community FB sites. We can discuss how to implement this under the Truro Branding / Website.

The community consultation and sausage sizzle with Wax Design was held on Sunday 25th May. Thanks to Wendy and her team for organising the food. We have been updated by Victoria of Wax Designs this evening. Wax Designs have submitted 3 exciting concept design options. Option 3 is preferred by Wax Design and the TDCA board. Victoria will email the information to Sally on Monday to be forwarded to the board members. Thanks, Sally, for coordinating the presentation and the refreshments this evening.

Council Report: No report

Prior to the meeting, Liz did a 'find' on Truro on the agenda of the meeting held on 17th June 2025 and found the following items:

- Tree trimming at the Truro Cemetery
- MMC has received a grant funding of \$207,500 from Primary Industries and Regions SA and sourcing quotes for the automation of standpipes including Truro
- Clean up of lane way "possum track"

A letter is to be written to MCC for someone to attend our meetings. No one since AGM.
